**Fourteenth Supplement to Public Order Under
City of Culver City Emergency Authority**

Issue Date: May 22, 2020

**Subject: City Measures to Address COVID-19 Road to Recovery:
Interior Mall Stores May Open for Curbside Service;
Car Parades Permitted**

On May 22, 2020, Los Angeles County announced new openings in advance of the holiday weekend, allowing increased outdoor and retail activities for residents. Beach bike paths are now open, indoor malls may open for curbside service, and vehicle parades will be allowed, all subject to certain conditions.

Effective as of the date of this Order, and by virtue of authority vested in me as the Director of Emergency Services, pursuant to the provisions of CCMC Section 3.09.020.B.1.h(2), to make and issue rules and regulations on matters reasonably related to the protection of persons, property and the environment as affected by such emergency, I hereby order:

1. The City of Culver City will permit lower risk retailers located within the interior of an indoor mall or shopping center, to provide goods and services to the public via curbside, door-side, or other outdoor or outside pick-up, or via delivery. Businesses that are normally accessible by the public from the exterior of the indoor mall or shopping center may continue to provide curbside pick-up, as set forth in my May 14, 2020 Eleventh Supplement to Public Order. Retail establishments and their customers shall practice social distancing and wear face coverings, and the businesses must also be in compliance with the conditions laid out in the most recent version of the Los Angeles County Public Health Checklist for Retail Establishments Opening for Curbside Pickup (Appendix B) posted on <http://publichealth.lacounty.gov/media/coronavirus/>. Shopping malls must create clearly-marked curbside or outside pickup points that maintain physical distance with visual cues or other measures, and have purchased goods available there for pick-up, or available through home delivery. Retailers located within a mall may take orders and deliver goods to the public outside of the mall from these marked locations. Businesses are required to adhere to all Culver City and Los Angeles County public health guidelines, including physical distancing and infection control practices to protect employees and customers. Members of the public are not permitted inside an indoor mall or shopping center.

2. Individuals may leave their residences to participate in a vehicle-based parade. The host of the vehicle-based parade shall comply with all Culver City Municipal Code provisions, traffic control requirements, and state laws. The host of the vehicle-based parade shall comply with the most recent version of the Los Angeles County Department of Public Health Protocol for Vehicle Based Parades posted on <http://publichealth.lacounty.gov/media/coronavirus/>. Participants are required to adhere to all Culver City and Los Angeles County public health guidelines, including physical distancing, wearing face coverings, and infection control practices.
3. Except as specifically modified or amended by this Fourteenth Supplement to Public Order, this Order in addition to, and does not supersede nor replace, any previously issued orders, which shall remain in full force and effect. All Stay at Home orders remain in place. Public and private gatherings of any number of people occurring outside of a single household or living unit continue to be prohibited.
4. Additional social distancing, infection control, and health and safety measures and guidelines may be imposed at any time, in my sole discretion, in order to ensure the protection of the public's health and safety, and the intent of each and every Public Order is carried out.

Any violation of this Fourteenth Supplement to Public Order may be enforced under the CCMC, which provides for fines not to exceed \$1,000 or imprisonment not to exceed six months. Each individual officer should use their discretion in enforcing this order and always keep the intent of the order in mind.

This Fourteenth Supplement to Public Order shall be effective immediately and shall remain in effect until superseded, amended, modified or rescinded.

Date: 5/22/2020

John M. Nachbar, City Manager
Director of Emergency Services
City of Culver City
