**Eighteenth Supplement to Public Order Under  
City of Culver City Emergency Authority**

**Issue Date: June 12, 2020**

**Subject: Reopening Safer at Work and in the Community for Control of COVID-19: Moving into Stage 3**

On June 11, 2020, the Los Angeles County Department of Public Health revised its May 29, 2020 "Reopening Safer at Work and in the Community for Control of COVID 19" Order, and issued the "moving the County of Los Angeles into Stage 3 of California's Pandemic Resilience Roadmap (June 11 Revised County Order), to allow additional activities to resume and to allow additional businesses to conditionally re-open. The County of Los Angeles is following the State of California's phased re-opening that progressively designates sectors, businesses, establishments or activities that may reopen or resume, with necessary modifications to protect the public health and safety, and to lower the risk of transmission of Novel Coronavirus Disease (COVID-19).

To allow certain activities to resume, and Culver City businesses to safely re-open as the County permits, effective as of the date of this Order, and by virtue of authority vested in me as the Director of Emergency Services, pursuant to the provisions of CCMC Section 3.09.020.B.1.h(2), to make and issue rules and regulations on matters reasonably related to the protection of persons, property and the environment as affected by such emergency, effective June 12, 2020, I hereby approve the re-opening of the following specific sectors, businesses and activities, subject to conditions:

1. Operations for music, film and television production may resume. The owner, manager or operator of music, film or television production must, prior to reopening, prepare, implement and post the most recent version of the required Los Angeles County Department of Public Health Protocol for Music, Film and Television Production (Appendix J) posted at <http://publichealth.lacounty.gov/media/Coronavirus/>, as well as abide by applicable industry-generated protocols.
2. Day camps may reopen. Day camp owners or operators must, prior to reopening, prepare, implement and post the most recent version of the required Los Angeles County Department of Public Health Protocol Day Camps (Appendix K) posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.

3. Fitness facilities may reopen. The owner, manager or operator of fitness facilities must, prior to reopening, prepare, implement and post the most recent version of the required Los Angeles County Department of Public Health Protocol for Gyms and Fitness Establishments (Appendix L) posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.
4. Museums, galleries, botanical gardens, zoos, aquariums and other similar exhibition spaces (collectively Museums) may reopen. The owner, manager or operator of Museums must, prior to reopening, prepare, implement and post the most recent version of the required Los Angeles County Department of Public Health Protocol for Museums, Galleries, Zoos, and Aquariums (Appendix M) posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.
5. Professional sports teams and franchises may restart operations and competitions without audiences. The owner, manager or operator of professional sports teams must, prior to reopening, prepare, implement and post the most recent version of the required Los Angeles County Department of Public Health Protocol for Professional Sports Leagues and Facilities Opening for Training Sessions and Spectator-Free Events (Appendix N) posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.
6. Campgrounds and recreational vehicle (RV) parks may reopen and associated outdoor activities resume. The owner, manager or operator of campgrounds and RV parks, must, prior to reopening, prepare, implement and post the most recent version of the required Los Angeles County Department of Public Health Reopening Protocol for Campgrounds, RV Parks and Cabin Rental Units (Appendix O) posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.
7. Hotels, motels, shared rental units and similar facilities may reopen for tourism and individual travel, in adherence with the required Los Angeles County Department of Public Health Reopening Protocol for Hotels, Lodging and Short Term Rentals (Appendix P) posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.
8. Obtaining in-person behavioral health or substance use disorder support in therapeutic small group meetings, such as Alcoholics Anonymous or Narcotics Anonymous is permitted, provided the gathering is limited to 10 people or fewer, and the most recent version of the Los Angeles County Department of Public Health Reopening Checklist for Substance Use Disorder and Mental Health Support Groups is followed, posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.
9. Swimming pools and splash pads in any setting may reopen. The owner, manager or operator must prepare, implement and post the most recent version of the

required Los Angeles County Department of Public Health Protocol for Swimming Pools posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.

10. For hire fishing, guided fishing or small group chartered boat trips may resume operations, with the owner, manager or operator implementing the most recent version of the Los Angeles County Department of Public Health Protocol for Chartered Boats, posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.
11. Visiting a physician or child's pediatrician for routine care, such as well-child visits and vaccinations is permitted, following all physical distancing and infection control procedures as applicable.
12. Public and private K-12 schools and school-based programs may begin planning for the forthcoming school year in compliance with the State Public Health Officer's guidance for Schools and School-Based Programs.
13. As a clarification of previous orders, outdoor photography is permitted, with appropriate physical distancing practices. Indoor photography in a studio is permitted, following the most recent version of the Los Angeles County Department of Public Health Protocol for Office Worksites (Appendix D), posted at <http://publichealth.lacounty.gov/media/Coronavirus/>. In addition, the County of Los Angeles Public Health Officer recommends a face shield be worn by the photographer to provide added protection when photographing customers who are not wearing a face covering.
14. In accordance with the June 11 Revised County Order, Section 7, the following types of higher risk businesses, recreational sites, commercial properties, and activities, where more frequent and prolonged person-to-person contacts are likely to occur, shall continue to be closed:
  - a. Bars, winery and brewery tasting rooms, lounges and nightclubs;
  - b. Cardrooms, satellite wagering facilities, and racetrack onsite wagering facilities;
  - c. Public entertainment venues such as movie theaters, live performance theaters, concert venues, theme parks and festivals;
  - d. Family entertainment centers such as bowling alleys, arcades, miniature golf, and batting cages;
  - e. [intentionally omitted];
  - f. Personal care establishments, currently required by the State of California to remain closed, including nail salons, body waxing, massage and body art establishments;
  - g. Indoor and outdoor playgrounds for children, except those located within a school or childcare center;
  - h. Hot tubs, steam rooms, and saunas not located on a residential property;
  - i. All events and gatherings, except specifically permitted by this Order or a previous order.

15. This Eighteenth Supplement to Public Order supersedes any provision in a previous Order where there is a conflict between the Orders; otherwise all Stay at Home orders remain in place. Except as specifically provided herein, or in previous orders, public and private gatherings of any number of people occurring outside of a single household or living unit continue to be prohibited.
16. Additional social distancing, infection control, and health and safety measures and guidelines may be imposed at any time, in my sole discretion, in order to ensure the protection of the public's health and safety, and the intent of each and every Public Order is carried out.

Any violation of this Eighteenth Supplement to Public Order may be enforced under the CCMC, which provides for fines not to exceed \$1,000 or imprisonment not to exceed six months. Each individual officer should use their discretion in enforcing this order and always keep the intent of the order in mind.

This Eighteenth Supplement to Public Order shall be effective immediately and shall remain in effect until superseded, amended, modified or rescinded.

Date: 6/12/2020
